

Conveniently located in historic downtown Westminster, Locust Lane Centre is a two phase renovation and expansion. Locust Lane Centre was once the original Post Office building in Westminster.

Modern upgrades allow for a total of 25,000 square feet of available space. Approximately 16,000 square feet are reserved for professional offices or for medical suites. Approximately 9,000 square feet are available at street level as retail space.

Locust Lane Centre is convenient to several main cross streets with direct access to Route 140, the major thoroughfare in Westminster.
